**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business owner in a small community I want to be able to choose and support small and local businesses. I appreciate when people choose my business. It is becoming harder and harder to compete with large national or international companies. I now have access to fast fiber speed internet thanks to my local broadband provider. Please don't force rural companies out of business and limit my choice of who I can get internet service from.

Thank you.
